

**LEARN & EXPERIENCE THE SOMAENERGETICS
ENHANCED BODY TUNER TECHNIQUES - UTILIZING
THE COLOR BODY TUNERS BASED ON THE
POWERFUL ANCIENT SOLFEGGIO FREQUENCIES**
created by *David Hulse, D.D.*

The **Ancient Solfeggio Frequencies** facilitate a sense of balance and harmony and reconnect you with your inner energy potential. Each expression of sound is a way that we may access deeper levels of consciousness and free the blocked energy which has been stored in our "energy anatomy." When energy flows freely, new choices in our lives are awakened and we have new-found energy from within to make the changes we want and perhaps, need to make.

Massage, Reiki and Polarity Therapists, Holistic Physicians, Energy Workers and individuals around the world are using these powerful tuning forks with the SomaEnergetics Techniques.
